## Our Products and the Environment

We are a professional manufacturer of USB products and believe it is crucial we show our environment the level of care and respect it deserves. Recently we have completed 3 steps to reduce our impact on the environment:

- 1) We are proud to be the first company in our sector to be registered as Carbon Neutral®
- 2) Flashbay is certified according to the leading environmental management standard, ISO14000
- 3) The plastic and aluminum used in the body of all USB flash drives is exclusively from 100% recycled sources
